Basic Algorithms
Due Be Do Bee Dew

The one important thing I have learned over the years is the difference between taking one’s work seriously and taking one’s self seriously. The first is imperative and the second is disastrous.
– Margot Fonteyn

1. Sing Kodachrome in the shower. Loudly.

3. Escape from The Matrix using Depth First Search.

5. Look at one of the bridges of New York. Softly.

6. (a) Do nothing in Washington Square Park.
   (b) Do it well.

7. (a) See the movie Proof with a friend.
   (b) Discuss which character is most like you.
   (c) Discuss which character is most like you. Honestly.
